2022

Community Impact Report

**Catholic
Social Services**
OF THE MIAMI VALLEY

Our Core Values...

FAITH

Allow God's love and teachings to inspire our work.

SERVICE

Seek to meet individual and family needs through professional practice

CHARITY

Encourage others to put faith into action through sharing their time, talent and treasure.

OUR MISSION

Catholic Social Services of the Miami Valley strengthens individuals and families through actions of faith, service and charity.

OUR VISION

Creating faithful partnerships to strengthen families and achieve a more hopeful community.

OUR SERVICE AREA

Auglaize, Champaign, Darke, Greene, Logan, Mercer, Miami, Montgomery, Preble and Shelby Counties.

For over 100 years, Catholic Social Services of the Miami Valley has been walking a path of faith with our clients. It is sometimes a rocky path, full of potholes like poverty, depression, isolation, and fear. It is sometimes a path that has many dead ends. Or a path that seems to be shrouded in darkness.

It is our mission to supply the light.

By lighting the way, we provide help. We fill minds and hearts and bodies with new strength, showing compassion to those who feel alone and bringing stability to hurting families. We inspire confidence to elevate the expectation of what they can do and become.

By lighting the way, we create hope. We direct our clients toward new pathways and give them fresh starts, helping them see a brighter tomorrow. We provide not just services for today, but services that impact a future full of possibilities.

By lighting the way, we change lives. We empower mothers, connect families, and welcome strangers to a new land. Our dedicated staff and volunteers provide opportunities and resources that lead our clients out of the darkness.

The journey for some may be long and arduous, but we are committed to staying with them as they walk the path.

As we reflect on our impact on the community in 2022, we also look to the future and invite you to join the journey. We believe that when there are more of us working together, the burden lessens, the road becomes less rocky, and the light shines brighter.

Our journey has lasted a century, and we have had many faithful companions along the way. Thank you for the miles you have traveled with us thus far. Your support and partnership have strengthened our community and positively impacted many lives.

With deepest gratitude,

Laura J. Roesch, CEO

“ Go out into the world today and love the people you meet. Let your presence light new light in the hearts of people. - Mother Teresa ”

1921 Society

The 1921 Society recognizes individuals and organizations who have made annual leadership gifts of \$1,000 or more to Catholic Social Services of the Miami Valley. The 1921 Society was named in honor of the year CSSMV was founded and is meant to recognize the generations of supporters who have helped support the agency's mission.

Statistics indicate that the food insecurity rate is 19% in Montgomery County, but the food insecurity rate for children is 26%. Of the 24,796 food distributions made by our pantry in 2022, 22% was used to feed children.

Although clients are limited to two monthly pantry visits to obtain supplemental food, fresh fruits and vegetables are offered for anyone five days a week. Through surveys, 80% of our clients tell us that they are eating more fruits and vegetables because of our pantry.

Our Family Stabilization Services assisted 465 households in 2022 which included 587 adults and 538 children, 347 of whom were age 12 and under.

At the end of 2021, 89.3 million people worldwide were forcibly displaced. That is 1 in 88 people on earth forced to leave their homes. Of the 27.1 million refugees applying for asylum elsewhere, nearly half (13 million) are children.

The magnitude of the crisis can only be described as unimaginable.

Source: United Nations High Commissioner for Refugees (unhcr.org)

“It is better to light one candle than to curse the darkness.” - Ancient Chinese proverb

CSSMV resettled 205 individuals in 2022:

- 167 from the Democratic Republic of Congo**
- 2 from Burundi**
- 1 from Congo**
- 13 from Sudan**
- 6 from Iraq**
- 16 from Afghanistan (Special Immigrant Visa)**

Of these 205 individuals, 97 were under the age of 18.

CSSMV also resettled 113 individuals from Afghanistan who arrived because of emergency evacuation through the Afghan Placement and Assistance Program.

The U.S. Dietary Guidelines 2020-2025, the American Academy of Pediatrics, and the World Health Organization recommend that infants be exclusively breastfed for the first six months. Yet nationwide statistics for babies born in 2019 show that only 24.9% achieved this goal. The percentage of breastfeeding with some supplemental formula added is much higher - 55.8% - but rates are lower across the board for Black children and children of younger mothers.

CSSMV Community Health Navigators report that the rate of breastfeeding among our parenting clients is 86%.

Suicide is now the second leading cause of death for youth ages 14-24. According to the Montgomery County Prevention Coalition, there was a 51% increase in emergency department visits for suicide in adolescent girls from 2019-2021. Dayton Children's Hospital reported that over 7,000 children and teens were treated at the emergency and crisis center in 2022, and for those who were admitted to the hospital, the number one reason was suicidal thoughts.

In 2022, the ECHO counseling program being implemented in Houston and Russia Schools in Shelby County by CSSMV reached 237 children with a social and emotional learning curriculum called Second Step. CSSMV counselors also provided individual counseling for 41 students. Since the current school year began last September, the number of students being referred for counseling has tripled.

The 65+ age group is the fastest growing population in the state of Ohio, increasing 29% from 2010 to 2021. This age group now makes up 17.8% of Ohio's population. The Ohio Department of Aging projects that by 2030, that percentage will increase to 26%. Although most older adults (56% of singles and 81% of couples) have sufficient incomes to cover their basic needs, inflation, rising costs, or a health crisis can tip the scale quickly.

CSSMV administers the Ohio Medicaid Waiver (PASSPORT) program in six rural counties, providing in-home services for an average of 1,257 low-income older adults each month. To determine care needs and program eligibility, CSSMV conducted 2,437 assessments in 2022, giving older adults and their families an idea of what they might need now and in the future.

Next Steps is a partnership between CSSMV and Sinclair Community College that provides case management and emergency financial assistance to students who are most at-risk for dropping out of school.

One Next Steps client is working towards a degree in criminal justice. She is a single mom with two toddlers who works part-time and is enrolled full-time at Sinclair. Her goal when entering the program was to maintain a 2.5 GPA. She has surpassed her own expectations and is on the Dean’s list with a 3.0. The emergency financial assistance available through the Next Steps program has helped her with varied needs including access to high-speed wi-fi required for classwork and assistance with gas cards to remove transportation barriers to attending class.

Another client has worked through learning disabilities and financial challenges with her Next Steps navigator. After being placed on academic probation and then dropping out, she returned to school. With determination and perseverance over five years, she is now one class away from successful completion of her degree. She will be a first-generation graduate, setting a standard for her younger siblings whom she has helped raise.

What if you could not make decisions for yourself and had no one to help you?

The guardianship system, overseen by Ohio’s county probate courts, provides care for people who can’t care for themselves.

CSSMV Life Essentials program uses both staff and volunteers who can become legal guardians of the person for those in need. In 2022, Life Essentials protected 190 individuals (173 in Montgomery County, 16 in Greene County, and 1 in Hamilton County).

What would your life be like if you lost the ability to drive? Or if your vehicle was in the shop for an extended period? In a big city, you could hail a cab, take a bus, or call an Uber. But in rural areas, those resources may not exist. You need to shop for groceries, keep a doctor's appointment, or get to work or school. No friend or family member is available. What to do?

CSSMV's volunteer driver program – RideConnect – is helping, one ride at a time. In 2022, RideConnect volunteers fielded 516 requests, made 935 trips covering 26,792 miles, and logged 1,479 volunteer hours. In just the first two months of 2023, there have been 180 requests, 283 trips covering 6,467 miles, and 382 volunteer hours.

“Thank you, Erma’s House, for giving my children a safe environment for visits with their mother.” – client

Supervised visitation is needed when a parent is only allowed to visit with their child under the supervision of another individual, such as a family member or a social worker. A judge may order supervised visitation when there are safety concerns or other issues that make a neutral, structured environment the best option for the non-custodial parent and child to maintain contact.

In 2022, Erma’s House provided supervised visitation services to 57 families which included 127 adults and 92 children. There were 710 supervised visits and 20 supervised exchanges.

THANK YOU TO OUR 2022 VOLUNTEERS...

2022 EXCELLENCE IN IMPACT AWARD

Michelle Caserta-Bixler

As the Mobility Manager in our Northern Counties Office, Michelle has been instrumental in developing our RideLink and RideConnect programs, dramatically increasing transportation options in rural areas. Her networking with community stakeholders and providers has made Catholic Social Services a leading player in the development of new transportation initiatives.

2022 RISING STAR AWARD

Jeffrey North

Jeffrey is a student at Sinclair Community College desiring to acquire new career skills to reenter the job market. He found it difficult to return to college after so many years out of the classroom because he works part time and cares for an older parent. He will graduate in the spring with a certificate in Business Administration.

2022 COMMUNITY PARTNER AWARD

Welcome Dayton

Welcome Dayton promotes the integration of immigrants into the Greater Dayton community. In 2022, it was an organizing partner of welcoming events for Afghan and Ukrainian refugees. It also serves as the backbone of the New American Employment Roundtable initiative which has facilitated opportunities for CSSMV Employment Specialists to build new relationships with employers, broadening the employment prospects for refugee clients.

2022 BUSINESS OF THE YEAR AWARD

PlayCare Playground Specialists

Thanks to the generosity of Mike Whalen of PlayCare Playground Specialists, and a large group of supporters and volunteers, a new playground was constructed for the children who visit with parents at Erma's House. PlayCare was also a major sponsor of our 2022 Shine Dayton event.

2022 LEADERSHIP AWARD

John Riazzi

John has been a significant supporter of Catholic organizations in our community for decades. His leadership support of CSSMV has challenged and inspired new donors. But his support is greater than financial as he has been a frequent volunteer and recruiter of volunteers at the food pantry. He has also helped secure large in-kind food donations and generously supported the early days of our Shine Dayton event at the Steam Plant.

Financial Statement

REVENUE

71%	Government Funding	\$ 17,875,655

The Wallace Foundation

Catholic Social Services of the Miami Valley has been providing services for 101 years, yet in no time in its history has there been more societal stress, political upheaval, and environmental change. Yet CSSMV stands as a beacon of hope and a light in the darkness.

Over my six years on the board and two years as its chair, I have seen this organization mature into a potent force for community action. From the devastation of the tornadoes of 2019 to the havoc of the pandemic, CSSMV has been at the forefront of every issue and every recovery effort, ready to act, to calm, and to embrace its role as a problem solver.

The journey of this organization began humbly and has broadened along the way to include a remarkable number of programs, a talented and diverse staff, a large volunteer base, and numerous supporters. We walk with clients who are hungry, depressed, alone, grieving, and afraid. We open new doors, spread joy and compassion, and stay the course no matter what crisis waits around the bend.

Always attuned to the pulse of the community, the agency stays one step ahead because of purposeful strategic planning, key partnerships with top players, and extensive involvement in community-wide initiatives, studies, and forums. Ongoing shifts in focus and development of new programs have been carefully designed to address changing demographics and needs.

CSSMV is committed to feed the hungry, help women birth healthy babies and become nurturing parents, welcome strangers from other lands, counsel those who are struggling, guard those who have no other advocates, provide safe visitation to keep families together, support older adults, and give the young a formula for success.

This life changing work has happened because of generations of supporters. Those who walk the path with the organization today are ensuring that the work will continue for another century.

The five-year \$10 million Generations Campaign begun in 2021 has been incredibly successful, already fueling program growth and expansion of facilities. People see the incredible commitment of this team of dedicated professionals and want to be part of the good news they spread.

We invite you to join the journey.

Thank you.

ARCHDIOCESE OF
CINCINNATI

Office of the Archbishop

archbishop@catholicaoc.org
513.263.6612

April 2023

Dear friends in Christ,

During His ministry on earth, Jesus showed His love for us by healing the sick, feeding the hungry, and bringing hope to the downhearted. He kept company with society's outcasts and mercifully responded to their physical, mental and spiritual sufferings. He truly walked with His people on their journey through a world darkened by sin.

As articulated in the foundational principles of Beacons of Light, the archdiocese-wide pastoral planning initiative, we as Christ's followers are impelled to follow the example of Jesus: "As I have loved you, so you also should love one another" (Jn. 13:34b). We are asked to put this "love in action" by ministering to those in need, just as Jesus did.

The work of Catholic Social Services of the Miami Valley embodies "love in action." By feeding the hungry, counseling the troubled, welcoming the stranger, and defending the sanctity of human life and dignity, this organization is truly Christ's presence in our world.

Those who support these efforts are important partners in answering this call to action. Generous gifts of time, talent, and treasure to assist those who do this work affirm your own willingness to join the journey of solidarity with the poor, the marginalized and the oppressed of our society.

Along with proclaiming the Word and celebrating the Sacraments, engaging in the ministries of charity and social justice completes the three-fold responsibility of our Church. Only by carrying the cross for others can we fulfill what Jesus expects of us. In the words of the Gospel, "Your light must shine before others, that they may see your good deeds and glorify your heavenly Father" (Mt. 5:16).

May God continue to bless the good work of Catholic Social Services of the Miami Valley and all those who support that work. You are truly beacons of light!

Sincerely yours in Christ,

Most Reverend Dennis M. Schnurr
Archbishop of Cincinnati
